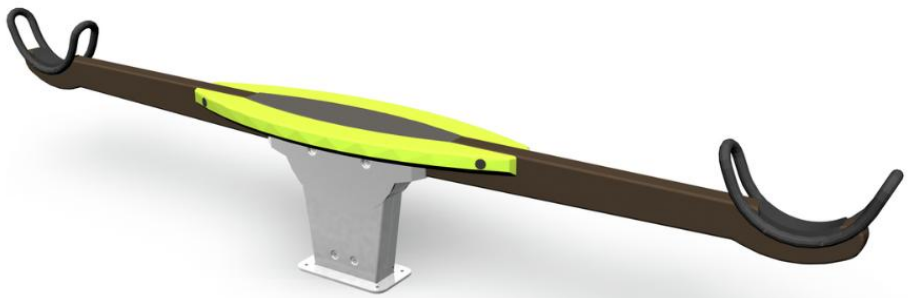
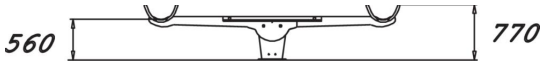
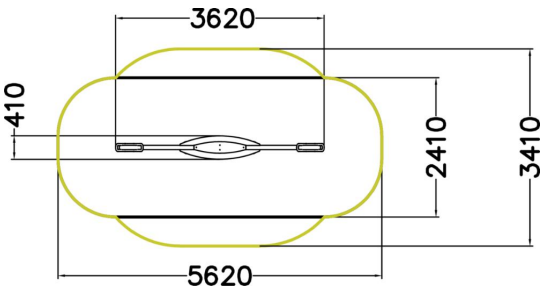
Seesaw



The maximum seat height of the spring bouncer is 840mm. Suitable for school-age children, the spring bouncer comprises two seats which allow children to face in either direction or sit back to back. Spring bouncers are playground classics, providing entertainment for children year after year. Their motion trains children's rhythmic awareness and tests their sense of balance.





User age	6
Number of users	2
Product length, mm	3620
