

Rail Square

Rail Square is the next level of Rail Line. It offers safe balancing, jumping and precision functions and intuitive loop for balancing drills and games. Other equipment placed next to it or even in the middle of it increase the number of functions and movement combinations. All Dash parkour rails made of galvanized steel pipe.

Product length, mm	2282
Product width, mm	1590
Product height, mm	390
Falling space, m²	22.3
Safety info	EN 16899 TÜV
Foundation options	deep_mounting surface_mounting
Metal
